- (i) the assessment date in the current year; and
- (ii) the assessment date in the calendar year that immediately precedes the current year; and
- (B) treats the parcel or parcels for those assessment dates as:

- (i) being permanently flooded; or
- (ii) having overland access permanently prevented by flooding;

(2) the property taxes first due and payable in the current year with respect to the parcel or parcels are determined based on the reassessment; and

(3) the property taxes first due and payable in the calendar year that immediately succeeds the current year with respect to the parcel or parcels are determined based on the reassessment.

(d) If the flooding referred to in subsection (a) occurs after May 10 of the current year and before November 11 of the current year and the petition under subsection (b) is filed not later than December 31 of the current year:

- (1) subsection (c)(1) and (c)(3) apply; and
- (2) only:

(A) the second installment of property taxes under IC 6-1.1-22-9(a) first due and payable in the current year with respect to the parcel or parcels; or

(B) if property taxes are payable by a method other than two (2) annual installments, one-half (1/2) of the property tax liability for property taxes first due and payable in the current year with respect to the parcel or parcels; is determined based on the reassessment.

(e) This subsection applies only if:

- (1) the county assessor orders a reassessment under subsection (b); and
- (2) the property owner pays property taxes in the current year with respect to the parcel or parcels based on the assessment that applied before the ordered reassessment.

The property owner is entitled to a refund of property taxes based on the difference in the amount of property taxes paid and the amount of property taxes determined based on the ordered reassessment. A property owner is not required to apply for a refund due under this section. The county auditor shall, without an appropriation being required, issue a warrant to the property owner payable from the county general fund for the amount of the

refund, if any, due the property owner.

(f) If:

- (1) the county assessor orders a reassessment under subsection (b); and
- (2) when the reassessment is completed the property owner has not paid property taxes in the current year with respect to the parcel or parcels based on the assessment that applied before the ordered reassessment;

the county treasurer shall issue to the property owner tax statements that reflect property taxes determined based on the reassessment.

(g) The county assessor shall specify in an order under subsection (b) the time within which the reassessment must be completed and the date on which the reassessment takes effect.

(h) A reassessment under this section for an assessment date continues to apply for subsequent assessment dates until the assessor:

- (1) determines that circumstances have changed sufficiently to warrant another reassessment of the property; and
- (2) reassesses the property based on the determination under subdivision (1).

(i) The county auditor and county treasurer shall publish notice of the availability of a reassessment under this section in accordance with IC 5-3-1.

(d) For each taxing unit located in the county, the county auditor may reduce for a calendar year the taxing unit's assessed value that is certified to the department of local government finance under section 1 of this chapter and used to set tax rates for the taxing unit for taxes first due and payable in the immediately succeeding calendar year. The county auditor may reduce a taxing unit's assessed value under this subsection only to enable the taxing unit to absorb the effects of reduced property tax collections in the immediately succeeding calendar year that are expected to result from any or a combination of the following:

- (1) Successful appeals of the assessed value of property located in the taxing unit.

The certified statement must list any adjustments to the amount of the reduction under this subsection and the information submitted under section 1 of this chapter that are necessary. ~~as the result of processing homestead credit applications and deduction applications that are filed after the county auditor certifies assessed value as described in this section.~~ The county auditor shall keep separately on the tax duplicate the amount of any reductions made under this subsection. The maximum amount of the reduction authorized under this subsection is determined under subsection (e).

(e) The amount of the reduction in a taxing unit's assessed value for a calendar year under subsection (d) may not exceed two percent (2%) of the assessed value of tangible property subject to assessment in the taxing unit in that calendar year.
